From the Pen of The Director

Welcome
to
DEEKSHA CONVENT

It's my pleasure and privilege to serve as the Director of Deeksha Convent not only because it's my passion but also because I enjoy the company of my dearly loved students and talented and zealous teachers who keep me energized all the time.

I am captivated by the enthusiasm of our students, the expertise of our staffs and the uniqueness of what we, as a school, offer community.

From a modest beginning in 2001, our school has now grown into a fully integrated institution. The management, parents, students and the teaching fraternity are a team and complement each other's efforts.

We try to create an atmosphere of reverence for education and a healthy environment where academics, sports and co-curricular facilities mould our students and motivate them to be the brightest and best.

Our objective is to offer a diverse academic curriculum, wide array of extra curricular activities and to continually strive to enhance our student's strength.

I'm very grateful to each and every member of the school fraternity. Our staffs, who know very well how to synchronize and harmonize with our process of growth. Our students, who constantly excel and prove that it makes a difference to be a student of Deeksha Convent. Our parents, whose trust inspires us to move ahead.

Deeksha Convent is the most reliable resource of learning and acquiring knowledge.

We wish great success for the bright future of our students.
